

FOR IMMEDIATE RELEASE

Lubbock Fire Fighters partner with the Texas State Association of Fire Fighters to help Quarterback statewide effort to Protect Children

The Lubbock Fire Fighters, the Texas State Association Fire Fighters, and the AFCA National Child ID Program have teamed together in what will be called the Safety Blitz Project to help protect Texas school children. The project will provide over 1,000,000 child ID kits to all Kindergarten through 2nd grade students starting in the spring of 2016.

The Fire Fighters will help lead the fundraising effort by raffling a trip to Super Bowl 50 and a trip to the 2016 Pro Bowl. LPFFA President, Todd Jordan, stated, "Our members are committed to protecting our communities and our citizens from harm, and this effort is an important step in doing so."

When you see your local fire fighter please thank him for his help in protecting our children.

The Texas State Association of Fire Fighters was established in 1938 and it is Texas's only professional, career fire fighters organization, representing over 13,600 fire fighter members and 164 affiliate locals. We are affiliated with the International Association of Fire Fighters (IAFF).

The Child ID Kit includes an inkless fingerprint card, a DNA collection swab, and a cut-out wallet card. It will allow parents and guardians to easily record pertinent personal information about their child. The kit is stored at home in a safe place and would be handed over and used by law enforcement authorities in the case of a missing child.

Contact:

Curtis Swinford	806 781-9677
Steve Yokum	806 535-5833
Todd Jordan	806 676-0812
Jimmy Bacon	806 773-1612
Jack Todd	806 676-0812
Jake Solis	806 773-3711
Nick Wilson	806 789-0948
